to find out about free central heating for your home

Keep your home **warm**, your family **healthy** and your **energy bills in check** by calling **0800 169 56 93** to find out if you qualify for **free central heating**.

Brent and Ealing councils are working with Energy Solutions, a local charity, to provide free central heating in 80 homes where:

- Your household has low income and receives certain government benefits
- You have no central heating – just stand alone gas, electric or storage heaters

The scheme is open to all types of homes including:

- Home owner
- Renting from private landlord
- Renting from housing association or council

Call **0800 169 5693** today to turn up the heat in your home.

The Free Central Heating scheme is funded by the Government's Department of Energy and Climate Change. Brent Council in partnership with Energy Solutions has secured funding to make the offer available to Brent residents.
